JUNE 13 2003

- ❖ Principal purpose of meeting: to prepare for next week’s recruiter luncheon, to hold a postmortem of our first event, and possible Fall 2003 event topics and dates. (As usual, the list of discussion items below is not meant to be all-inclusive, and is mainly provided as a rough outline to stimulate discussion – participation in the discussion by all team members is welcome and encouraged.)
- ❖ Career Center’s Recruiter Luncheon, Tuesday June 17 from 11:30am – 2:00pm
DePaul University Student Center Multipurpose Room, Lincoln Park Campus, 2250 North Sheffield Avenue
Contact: Christine Lynch, On-Campus Recruiting Manager (312-362-8712, clynch3@depaul.edu)
 - Purpose: to showcase IEEE by staffing a table and meeting with recruiters
 - 50-60 recruiters expected with 15-20% looking for CTI students
 - 10-15 faculty and 12-14 career center staff plan to attend
 - Some of the employers represented last year (this is the second time the luncheon has been held): Accenture, Deloitte & Touche, Enterprise Rent-A-Car, Abbott Laboratories, McDonald’s Corporation, Bank One, Quaker Oats, Sears, KPMG, Ernst & Young, Bank of America, Baxter Healthcare, Kraft, Target Corporation, and Exelon.
 - Some benefits of our attendance:
 - networking for our careers, networking for future IEEE events, creating awareness of IEEE, meeting other students/faculty
 - Some ideas to accomplish the above:
 - create a poster with IEEE facts and photos
 - create a flier to hand out
 - create name tags
 - bring resumes, business cards
- ❖ Postmortem of our first event.
 - What we think we did well, and what we can improve in future events.
 - Speaker and attendee feedback.
- ❖ Fall 2003 events.
 - Proposal: two events, either two technical (technology) events or one technical and one non-technical (professional) event
 - Proposal: one IEEE members-only general meeting and social
 - I penciled in IEEE for the Fall Involvement Fair.
 - Some ideas for technical events:
Web Services, Open Source, Security, Intellectual Property, etc.
 - Some ideas for non-technical events:
Professionals sharing their experiences as software engineers, network engineers, programmers, DBAs, etc.
Current situation and outlook for the IT labor market, etc.
