**Synopsis**

This presentation, given by Commander Johnathon Lewin, will provide the audience an insight into how the Chicago Police Department utilizes their data warehousing technologies. Commander Lewin will also address how their use of computer technology can be used in the other areas of the department.

**Refreshments**

Will be provided.

**RSVP**

Space is limited! If you are planning to attend, please RSVP to deltaupe@cdm.depaul.edu by Monday, February 27th to reserve your spot.
